Roulette is an intriguing game that is played throughout the world. The large payoffs that are possible for small wagers stimulate the interest of the expert as well as the novice player, playing Roulette in Vegas. When you’re done playing make certain to redeem your chips at the same table you were playing at.

A player may bet on single numbers, rows of numbers, or on adjacent numbers. A bet on a single number pays 35 to 1, including the 0 and 00.

We’re proud to offer Roulette in three variations. In addition to our popular American-style Roulette game with 36 numbered slots, a 0 and a 00, we also offer our European Roulette, which has a single 0 along with the standard 36 numbers, and is a favorite among our international customers.

The diagram indicates the Roulette rules payout for single chip bets and the many combinations available to you.
